

Residential Services

Our Community Partners and Donors have enable us to care for hundreds of children in residential services since February of 2019

Community Based Care/ GOH Resource Center

Through our GOH Resource Center, Coalition, and Community Partners we have been able to serve thousands since February of 2019 with basic needs for foster care children and children in need.

OUR MISSION AND CORE VALUES

Mission

Our mission is to invest passion and heart in children through outreach, providing excellence for those underserved.

Our Core Values

H - Heart: We lead with empathy, ensuring that every action we take is filled with a heart for those we serve.

O - Outreach: We dedicate ourselves to offering outreach that creates lasting change.

P - Passion: We approach each day with passion, driven by our dedication to serve.

E - Excellence: Excellence is our standard for the care of children and those in need.

Our Purpose

Our purpose is to provide a safe, nurturing, and empowering environment for foster care children who have experienced abuse, neglect, or are at risk. We are dedicated to offering hope and healing by addressing the unique emotional, physical, and psychological needs of each child. Through residential services, foster care homes, a resource center meeting the basic needs of children, and a training center, we provide comprehensive care and support. With a passion to connect community resources, we strive to help children and their families overcome adversity and build a foundation for a brighter future

RESIDENTIAL SERVICES

Our residential services are designed to provide a safe, loving environment for children who need basic residential services, transitional living services, pregnant and parenting youth, and children with special needs. Our facility is filled with fun, love, and a passion for helping children thrive.

We offer:

- **Multiple-Bed Facility:** A spacious, comfortable home-like environment.
- **Game Room & TV Room:** Spaces for children to relax, have fun, and enjoy entertainment.
- **Outdoor Recreation:** Including a basketball court, gaga pit, and playground for physical activity and socialization.
- **Holistic Care:** Medical and emotional support tailored to each child's needs.
- **Work Programs:** Opportunities for children to build life skills and prepare for the future.
- **Recreational Programs:** A wide variety of activities to promote physical well-being.
- **Spiritual Growth:** Encouraging emotional and spiritual development through support and guidance.

Our goal is to prepare each child to be their personal best, providing them with the resources and care needed to thrive emotionally, physically, and spiritually. At GOH, we are committed to creating an environment where children can heal, grow, and build a foundation for a brighter future.

RESOURCE CENTER

Our resource center purpose is connecting the community to provide resources to families and agencies that serve foster care children. GOH and the local school district special needs children who are learning employability skills along with volunteers have joined forces to provide resources and support to foster care children and their foster families.

CHILD PLACEMENT AGENCY

Our CPA services are designed to serve children in need of basic services, transitional living services, pregnant and parenting youth, and children with special needs. Our mission is to empower individuals to provide a safe, loving family setting for foster care children, helping them thrive in a nurturing environment.

We strive to support adults who want to offer a safe and loving home for children in the foster care system. GOH not only trains families to become licensed foster parents in Texas, but we also remain a vital part of their support system as long as they choose to foster through GOH CPA. Our services include:

- **Family Developer and Case Manager Support:** Personalized guidance to foster families.
- **Free Training:** Comprehensive and ongoing training to equip families with the necessary skills.
- **Pre-Scheduled Appointments:** Including 3-day and 30-day appointments to monitor progress and ensure support.
- **CANS (Child and Adolescent Needs and Strengths) Assessments:** To understand and address the unique needs of each child.
- **Therapy:** Access to therapeutic services for children and families.
- **GOH Resource Center Access:** Providing basic needs such as clothing, hygiene products, and household items.
- **Monthly Events:** Opportunities for families to connect, learn, and enjoy activities.
- **Respite Care:** Temporary relief for foster families to rest and recharge.

We are committed to walking alongside foster families every step of the way, ensuring they have the tools, support, and resources they need to provide a loving and stable home for children in foster care.
